To be 100% honest with you when you came here I thought you were another one of these guys who dont tell me about the word of Jesus and with you I have in so many ways here are some of those ways who you've helped me.

Well as you know I'm 14 years old just turned 15 July 11 2009 that has had a bad past just like many people have. I come here for Burglery and Grand theft. But I've always had Jesus in my heart. I've felt like Jesus was Always there but I couldn't feel it really. And you told me we'll maybe I can get you a book so you know more about it. And you did for my B-day. And we read over it and you told me just have a conversations and pray to him he loves you and you can trust him. And this past month or two I've been recieving the Lords peace, Love and Joy. And I'm changing now I talk to the Jesus like a regular conversation and hes helped me and has giving me so much. Hes the best of the best we can ever imagine. Brotha Q you've helped me alot thank you. You never had to do any of this you've help me with. You pray for me and I do the same your a good person. And the Bibles Great it tells me alot. But keep your eyes on the lord and know he Loves You more than anything you can imagine. But you've put words in me that will help me in my future thank you brotha Q and I thank the Lord For sending you here every Monday.
