Dear Mr. Quiñones:

On behalf of the Bilingual Parent Outreach Program (BPOP), thank you for conducting such an exceptional train-the-trainer workshop last Monday, January 7, 2008, for our team of BPOP trainers/presenters, on **Helping People Find and Stay in Just the Right Home**. The comments of those in attendance were extremely favorable.

Additionally, each member of the "team" of professionals that you brought with you was also stellar. Your presentation left our BPOP team of educators wanting to hear and learn more, because the information that you all provided was quite valuable and beneficial for everyone across the board – not only for our targeted audience of English-language Learners and immigrant families.

I also want to thank you for graciously agreeing to return in June, to conduct a full-day, more comprehensive training during our Summer Heat Institute following the closing of school. As soon as details are finalized, I will notify you.

Again, thank you for having provided the BPOP with such a dynamic and valuable presentation. The commitment you have for wanting to help others is quite evident. It is reassuring to know that there are honest, high-principled business leaders, such as yourself, Mr. Benson, Ms. Neris, and Mr. Hosmer, working to help those in need of assistance. Please be so kind, as to express our appreciation to them on our behalf, as well.

Best wishes,

Yvonne
